The momentum for Jesse Garcia as a DJ started building in 1987 when he followed his vocation and submerged in the magic world of music. To satisfy his expanding artistry, apart from working as a DJ and producer, Jesse currently feels a position of A&R at two record labels: **Tribal Spain and Electric Spain Recordings**. As a result of the labels' successful performance, and Jesse's work as producer for the labels, Jesse Garcia has become one of the most popular DJs at the national level. Besides, his professionalism can be appreciated from numerous solid remixes he has made for such internationally famous artists like **Lee Cabrera, Harry Choo Choo Romero, Copyright feat. Showell, Steve Angello, Celeda, Peter Presta, Milk & Sugar, Frank'o Moriagui, Dub Deluxe**, just to name a few.

Jesse's work was rewarded on various occasions. At an early stage of his career, in 1990 he became Vice-Champion of Catalonia at the prestigious championship Turntable of DMC (Disco Mix Club). The year 2005 proved to be one of the peak years of Jesse's career: he was awarded by Technics DJ Awards for his great contribution to Tribal House genre, and also earned a DeeJaymags nomination in "DJ Revelation" category. A year later Jesse was recognized for his production skills with another DeeJaymags nomination for his remix of "Underground" by Celeda.
